[App. F. III-2

From the Director of Agriculture
No Roc 2191-Bot-667 of 34-35- dated 3/8/35-
Request sanction for the appointment of Mr. N.R. Srinivasa Iyengar, the senior-most Veterinary Inspector, as Assistant-Superintendent, C.U.D., in place of Mr. C.K. Srinivasa Iyengar, Asst-Supdt, permitted to retire with effect from 8/10/35-.

Submd.

1 Mr. C.K. Srinivasa Iyengar, Assistant-Superintendent, was permitted to retire with effect from 8/10/35. A permanent-vacancy will therefore occur in the cadre of Asst-Supdts.

2 The proposal of the Dir is to fill up this Vacancy by promoting Mr. N.R. Srinivasa Iyengar, the Senior-most-Veterinary Inspector. But this arrangement may not be in order in view of the fact that there are five supernumerary Assistant-Superintendents, viz., K. Ranganatha Rao and N. Krishnaiengar, one of whom has to be absorbed in this permanent-vacancy, the consequential supernumerary vacancy being given to Mr. N.R. Srinivasa Iyengar.

3 There are at present six posts of Asst-Supdts in the C.U.D. as noted below:-

(1) 4 Permanent Assistant-Supdts-
(2) 1, Supernumerary Asst-Supdt for Research Section

(3) 1. Supernumerary Asst Surgt for Military department against a post of Veterinary Inspector in the C.V.D, Kept Vacant. The pay of the ex incumbent of this post is being borne by the Military deptt.

4. Messrs Ranganatha Rao and P.N. Nair were specially deputed to undergo Veterinary training at Mukteswar. After their return they were appointed as Supernumerary Asst Surgts for the investigation of cattle disease in the State. Mr. P.N. Nair was, later on, transferred to the Serum Institute and confirmed as Asst Bacteriologist when the Institute was made permanent. Mr. Ranganatha Rao's post is being continued from time to time for the investigation of disease, including research work on foot and mouth disease. (The collection relating to this was put up in another file re the representation of Messrs Ranganatha Rao and Krishnaiengar for the retention of the old scale of pay in their case)

5. Mr. N. Krishnaiengar was appointed as Asst Surgt (Supernumerary) in place of Mr. R.M. Palankar confirmed. The circumstances under which this supernumerary post was created are clearly explained in the 2nd December Financial note dated 8/9/28 9 Flag E

(C.V. 5-8-27 ( )-11 Part-VIII) It was thought that a Veterinary Officer elected on to the Military department should hold the rank of an Assistant Surgeon. Accordingly, Mr. Manickaraj who was working in the Military department was appointed as Supernumerary Asst Surgeon on Rs 150/- in the grade of Rs 150-10-200, a place in the post grade of Veterinary Surgeons in the C.V.D. being kept vacant against this appointment. When Mr. Manickaraj was absorbed in a permanent vacancy, Mr. R. M. Palankar was appointed as Asst. Surgeon (Supernumerary) in his place. Subsequently, when Mr Palankar was also absorbed in another permanent vacancy Mr N Krishnaiengar was appointed as Supernumerary Asst Surgeon in the consequential vacancy.

This supernumerary post is not susceptible of being abolished consequent on the incumbent being absorbed elsewhere. It has to be continued against a vacant post of Veterinary Surgeon in the C.V.D. as long as the Military depot indents for the services of an Asst Surgeon's grade. So also the post held by Mr. Ramanatha Rao which was specially made for the Research Section. Under the rule the supernumerary post ceases to exist if its incumbent is confirmed in a permanent vacancy. But the relative grade supernumerary

NOTE—Contn. Sheet.

posts in the C.V.D. is such that it may not in the circumstances explained above be possible to apply this rule. They have to be either made permanent by transferring the cadre or kept on as supernumerary, in the case stated above. The former procedure may not be possible under the present financial condition.

Now a permanent vacancy will occur in consequence of the retirement of Mr. C.K. Srinivasa Iyengar. One of the supernumerary Asst. Supdts may have to be confirmed therein. In this connection the question that arises for consideration is who should be first absorbed in this vacancy - either Mr. Ranganatha Rao or Mr. Krishnamachar irrespective of the work that they are at present doing. It is seen from the gradation list of veterinary surgeons that the latter is senior to the former in rank but not in pay and status.

Due to the special training that Mr. Ranganatha Rao and Mr. P.N. Nair underwent they were appointed as Asst Supdts (Supernumerary) much earlier than Mr. Krishnamachar and are therefore drawing more pay in the grade. One view of the case would be that one appointed first prior to another promoted to that place should be senior in that grade

Flag A.

are senior to him in the veterinary Surgeon's Cadre, for a permanent place of Asst. Surgeon although he underwent special training and was appointed as Asst. Surgeon earlier, that he has to wait for his chance till his turn for absorption comes and that he cannot be disturbed from the research work for which he was specially trained and be posted for clinical work (the collection of this was put up in C.V. file No 6130).

9. Asst. Dr. P. N. Nair who was also below Dr. Krishnaiengar in rank in the Cadre of veterinary Surgeons, was already confirmed in the Senior Grade. There is only one cadre for both the C.V.D. & the Senior Grade. This principle adopted in this case may perhaps equally apply in the case of Dr. Ranganatha Rao also. The point therefore for consideration is why Dr. Ranganatha Rao should not be confirmed in the permanent Vacancy in preference to Dr. Krishnaiengar as has been done in the case of Dr. P. N. Nair. This arrangement will not involve the change of his present nature of work simultaneously as stated by the Dr. He may perhaps be permitted to continue to do the present research work for in the alternative Dr. Krishnaiengar has to be confirmed.

10. The consequential vacancy of the

supernumerary post may perhaps be filled up by promoting Mr. N.R. Srinivasa Iyengar, the Senior most Veterinary Inspector.

11 In short, the following alternative arrangements are proposed for consideration and orders -

a) Mr Ramanatha Rao, Asst Surgeon (Supernumerary) Research Section to be made permanent in place of Mr. C.K Srinivasa Iyengar permitted to retire with effect from 8/10/37 and to continue to be in charge of the Research Section; or

Mr Krishnaswamy Iyengar, Asst Surgeon (Supernumerary), to be made permanent in the above Vacancy,

or (2) Mr N.R. Srinivasa Iyengar, Senior most Veterinary Inspector to be promoted as Asst Surgeon (Supernumerary) vice Serial (1) above.

12 As the linked file the Govt has proposed certain transfers of Asst Surgeons. This is also for orders.

13 This is a Council matter as the proposal involves the promotion of a Veterinary Inspector to the rank of Asst Surgeon.

14 The Govt Surgeon may also perhaps be consulted in this matter.

15 This is a retirement vacancy. In filling up the same, one of the two Supernumerary Officers has to be absorbed in the regular cadre and the consequential vacancy of a Supernumerary Officer will be filled by promotion.

16 Mr Ranganadha Rao, who is senior to Mr Krishna Iyengar in the Cadre of Asst Supdt. will be absorbed in the present vacancy and Mr N.R. Srinivasa Iyengar promoted as Asst Supdt (Supernumy) vice Mr Ranganadha Rao. This is a comeil matter

8 ~~There are~~ The cadre of Asst Supts C.V.D. consists at present of 4 permanent Asst Supts in charge Divisions and 2 Supernumerary Asst Supts, one in charge of Research work (Johne's Disease) & the other doing duty in the Military Dept counting against the post of a Senior Supt kept vacant in the C.V.D.

Now a vacancy has arisen in the cadre by the retirement of a permanent Asstt Supdt. and the question for consideration is whether it is permissible to promote the Senior-most Veh Inspr as Asstt Supdt in the above vacancy. No doubt under the strict application of the rule a permanent vacancy gets itself filled up when there is a supernumerary post. The appointment by the absorption of the supernumerary officer into the general cadre and there will therefore be no place to which a serialim promotion can be made. But the circs of the Veh Deptt are peculiar. Of the two supernumerary posts one is held by an officer in charge of Research work who cannot be detached from his present post under a view to his taking up the ~~professional~~ regular work of the Deptt. As regards the other it has been decided already that the appointment ~~is~~ counts against the post of a Senior Veh Inspr in the Deptt. Kept vacant in the Deptt. promotions may be made if the nature of the duties in the Motor Deptt requires an officer of the status of an Asstt Supdt. has pointed out that the appointments of Messrs. K. Ranganatha Rao and Nair, as Assistant Superintendents were made as a special case, without prejudice to the seniority of others in the Civil Veterinary Department.

15 The recommendation made in the letter of 5th July 1933 was in fact to confirm Mr. Ranganatha Rao in his present post of Assistant Superintendent in charge of scientific work for which he is fitted.

16 I feel that the vacancies of Assistant Superintendents in the regular divisional charge should be given to the senior Veterinary Inspectors. It was on this consideration, that Mr. N. Krishna Iyengar was appointed Assistant Superintendent, Supernumerary and Mr. Ranganatha Rao was recommended for confirmation in his own appointment of Research Assistant.

17 Subj: Research Section is being continued from time to time. The period of its continuance will expire on 31st June 1938 according to G.O. D 1418-19/ C.V. 38-32-8 dated 16/9/35. The question of making it permanent and confirming Mr. Ranganatha Rao as Research Asst. does not at all arise at present.

18 Under the rules, the supernumerary hands (however employed) have to be first absorbed in permanent Vacancies whenever they arise. Of the two

Serial No.

supernumerary hands Mr. Ranganatha Rao is the senior. He may have therefore to be made permanent in the vacancy caused by the retirement of Mr. C.K. Srinivasa Iyengar. He does not seem to be in order to take his place in Veterinary Inspectors' cadre into account for determining the relative position of the two supernumerary hands in the Asst-Surgeon's Cadre. As Mr. Ranganatha Rao has been given the old grade of Asst-Surgeon and drawing increments therein, the question of his confirmation may have to be determined taking into consideration only his rank in the Asst-Surgeon's cadre. He also seems to be financially circumstanced to defer Mr. Ranganatha Rao's confirmation till the subject of making the Research Section permanent is finally decided upon, and to confirm his junior Mr. N. Krishna Iyengar, instead in the present vacancy, as this means the supersession of the junior. He is therefore for orders whether Mr. Ranganatha Rao may be made permanent and kept on in the Research Section till the period of its existence expires according to G.O. dated 16/9/35.

19 As regards the consequential vacancy of Mr. Ramanatha Rao, its continuance at least till the end of June 1938 seems to be necessary in accordance with the G.O. under reference. If Ramanatha Rao is allowed to be in charge of the Research Section and treated as O.O.D. against his permanent place in the regular line, the promotion of the senior-most Veterinary Inspector as temporary or supernumerary Asst. Surgeon for work in the regular line or in the Military depot as recommended by the Dir, seems to be necessary till Mr. Ramanatha Rao is reverted to the regular line after the cessation of the Research Section. It is also for orders whether Mr. N.R. Srinivasa Iyengar may be promoted as temporary or supernumerary Asst. Surgeon in place of Mr. Ramanatha Rao to be confirmed, and posted to the Military depot.

20 In this connection, it is also pointed out that the Dir has submitted a separate proposal for the creation of a new post in the Stores Institute for Dr. Naidu. If this is done, there seems to be no need to have the existing post of Asst. Bacteriologist which may automatically become superfluous.

Extracts from C.V. File No.18-35. (B No 15-19)

28 31. The position of the two supernumerary posts of Asst. Superintendents, C.V.D., has been explained in this office un-official note No.14 dated 23-9-35, in connection with the proposal of appointing Mr. N.R. Srinivasa Iyengar, as Asst. Supt., in the now available permanent vacancy caused by the retirement of Mr. C.K. Srinivasa Iyengar.

Para 13 above

29 32. The appointments of Mr. K. Ranganatha Rao and Mr. P.U.Nair as Asst. Superintendents (supernumerary) were made purely for the scientific work. Mr. Nair was absorbed in the scientific section only, as Asst. Bacteriologist in the Mysore Serum Institute, while Mr. Ranganatha Rao's appointment has been continued till the end of June 1938, vide G.O. No. D.1418-19/C.V.38-32-8 dated 16-9-33.

9

30 33. The vacancy arising in the divisions should have to be given to the Senior Veterinary Inspectors in the line and it was on this consideration that Mr. N.R. Srinivasa Iyengar was recommended to be appointed as Asst. Supt. in preference to the absorption of Mr. K. Ranganatha Rao in this vacancy.

31 34. Dr. Coleman has discussed at length in his letter of the 5th July 1933 to Government, the reasons for keeping the appointments of Messrs. Nair and Ranganatha Rao, separate from the general line and also stated that they should be confirmed in their very posts. I consider this a very sound proposition.

W C.V.38-32 (1-8)

32 35. The two supernumerary Assistant Superintendents are in a way a misnomer and are not to be construed as extra appointments in the cadre to be absorbed when vacancies occur. They are independent appointments sanctioned for specific reasons. Their duration is also not defined. One of the supernumeraries is against an appointment in the military department. The other held by Mr. Ranganatha Rao has been sanctioned till the end of June 1938 and is a post whose continuance has been sanctioned from time to time for over six years now. The question of making this post

9

20

permanent has been urged more than once.

33 36. Dr. Narayanaswami Naidu's case is a special one and has to be considered on its own merits, quite apart from the present sanctioned cadre. The work of Dr. Naidu, as already stated by me, is very comprehensive and consists not only of research and and the examination of Biological products in the laboratory but also of investigation of cattle diseases in the districts in collaboration with the C.V.D. It does not in any way overlap or lessen the work that is now being done by either Mr. Ranganatha or Mr. Nair.

34 37. In these circumstances it will not be possible to transfer any of the officers engaged on the scientific work to the charge of the divisions and the appointments that have so far been sanctioned including the supernumerary ones have to be continued as at present and Dr. Narayanaswamy Naidu's appointment should have to be a distinct one and outside the cadre of Asst. Superintendents, carrying a special grade, consistent with the high qualifications acquired by him and of work expected from him.

35 38. It will not be possible to keep another post of veterinary Inspector in the cadre vacant against the proposed appointment of Dr. Naidu, as it would seriously impair efficiency of Dist. work.

36 39. In conclusion, I may be permitted to state that I have considered all aspects of the question to find a place for Dr. Naidu in the existing cadre, but finding it impossible, I have urged the necessity ~~for~~ of creating a new appointment.

39 42. Submitted with reference to para 29 above and to paras 22, 23 and 24 of the linked file (1110).

(1) Permanent vacancy of Assistant Superintendent: The proposal of the Director is to promote Mr. N. R. Srinivasa Iyengar, the senior most Veterinary Inspector in place of Mr. C. K. Srinivasa Iyengar. The point that is being considered in the linked files is why one of the supernumerary officers cannot be absorbed in the vacancy. In this connection kind reference is invited to the then 1st Member's minute dated 5-9-35 (para 18) in linked file (No.582) and to the Financial Secretary's Note dated 7-9-35 (para 7) in file No.1110. The Member minuted that "the senior-most qualified supernumerary Assistant Superintendent has to be preferred for this vacancy". There are only two supernumerary posts held by Messrs Ranganatha Rao and M. Krishna Iyengar. Mr. P.M.Nair is not a supernumerary officer as stated by the Director because he was already confirmed as Assistant Bacteriologist in the Serum Institute. Of the two supernumeraries, Mr. Ranganatha Rao is senior to the other. It is for orders whether Mr. Ranganatha Rao may be confirmed in the permanent vacancy or the Director's proposal sanctioned.

40 43. (2) Filling up of the consequential vacancy of Assistant Superintendent (supernumerary) if Mr.Ranganatha Rao is confirmed.

Kind reference is invited to the then 1st Member's minute dated 5-9-35 (para 18) in linked file No.582). The Director explains the necessity for the continuance of the two supernumerary posts. While submitting the half-yearly report on the work done by Mr.Ranganatha Rao in the Research Section, the Director has stated that much of his work will be given over to Mr. Narayanaswamy Naidu leaving him (former) to conduct investigations only on Johne's disease. The point for consideration is why Dr. Naidu should not be appointed against this consequentil vacancy and posted to the Research section. In this case, it may be possible to transfer Mr. Ranganatha Rao to the regular line for divisional work. Even the investigation work on Johnes disease may be transferred to Dr. Naidu. This is for orders.

41 44. (3) Creation of a new post for Dr. Naidu. This question may not arise if Dr. Naidu is shown against the consequential vacancy

of Mr. Ranganatha Rao referred to above. The point for consideration is whether it is possible to create a new post under the present financial condition. This post may not be necessary as there is a vacancy at present. It is stated that it is not possible to keep a post of Veterinary Inspector vacant. This is for orders.

42 45. (4) Pay of Dr. Naidu. The Director proposes to start him on Rs.200 in the grade of Rs.125-25/2-300 in view of his high qualifications. This is also for orders.

43 46. The Financial Secretary may be consulted in the matter. Orders are solicited on the three files put up. This is a Council matter.

(Id.) S.D.
" K.P.

44 47. The Director's note explains the position fully. It is seen from it that the two so-called supernumerary posts are really not to be treated as such, since the appointments have been made for specific purposes, although their duration has not been specified. One appointment is in connection with the investigation of John's disease, which is being paid from the funds of the Imperial Council of Agricultural Research. The officer now in charge of the above work has to continue until the work is completed. The other post is that of an Asst. Supt., C.V.D. for the Military Deptt. against which the post of a Vety. Inspector has been kept vacant. This appointment has to continue as long as the above arrangement in the Military Department is considered to be necessary. As pointed out by the Director these two posts are not in the above circumstances susceptible of abolition immediately, and the officers in these places also cannot be shifted from their job. The retirement vacancy in the regular cadre of C.V.D. Asst.Supdts., that has now arisen has therefore to be filled up. Otherwise - however as Mr.Ranganatha Rao is considered as supernumerary officer, he may be absorbed in the permanent vacancy of Asst. Superintendent but kept in charge of the investigation work, and

to Mr. Krishna Iyengar in the Asst Superintendent's Cadre by about ~~six~~ four years, the first having been appointed in 1917 and the second in 1918. The view held by the then Dir of Agriculture, Dr. Coleman, that Messrs K. Ranganatha Rao and P. N. Nair (both of them were appointed as supernumeraries in 1919) should not have claim over those who are senior to them in the Veterinary Inspector's Cadre, does not seem to be tenable. They were specially promoted to the higher grade in view of their having undergone special training at Hunkleshar. The intention of Govt at that time and subsequently was perhaps to keep them as supernumeraries only for a short time and to make them permanent Asst-Supdts as early as possible as chances occurred. Accordingly Mr. Nair was transferred to the Serum Institute and was subsequently made permanent as Asst Bacteriologist. It is now Mr. Ranganatha Rao's turn to be confirmed in the available vacancy. ~~Mr Dr~~ Dr. Coleman's view does not seem to have been accepted by Govt nor was there any specific decision in this matter in the order of 1919. re Dr. Coleman's opinion, the point for consideration is how this can be taken into account for determining Mr. Ranganatha Rao's seniority & confirmation.

51 Mr. Krishna Iyengar, in para 4 of his representation, states that he was appointed as Asst Surgeon (Supernumerary) in preference to Mr. K. Ranganatha Rao. It is seen from the order of 1938 that ~~seniorities~~ ~~were decided by the respective~~ the former was only appointed as Asst Surgeon (supernumerary) in the then available Vacancy without in any way affecting the position of Mr. Ranganatha Rao.

52 Another point for consideration is how the rank of Mr. Ranganatha Rao in the Veterinary Department cadre can be taken into account for purposes of his confirmation. Since he has been appointed as Asst Surgeon and promoted to Senior increment ~~on his present~~ it seems that for the purposes of confirmation his place in Dept's cadre and not in the Veterinary ~~his present~~ appointment may have to be taken into account.

53 The Dir's proposal is that he may be made permanent in his present

appointment. This post was ordered to be continued till the year 1938 the question of making it permanent entirely depends upon the circumstances that may arise in the year 1938. It may perhaps be continued or it abolished. So, Mr Rangamatha Rao being senior to Mr. N. Krishna Iyengar under the above circumstances, may perhaps be made permanent now against the available Vacancy as was done in the case of Mr. P. N. Nair.

54 The Dir says that the work of the research Section will suffer if Mr. Rangamatha Rao is disturbed. Although he is made permanent, he may be continued to be in charge of the present work. It is for orders whether Mr. Rangamatha Rao may be absorbed in the existing permanent Vacancy and be continued to be in charge of the Research Section as heretofore.

55 The Dir has explained the necessity for the continuance of the supernumerary post. If Mr. Rangamatha Rao is made permanent, the consequential existing Vacancy may perhaps be filled up by promoting Mr. N. R. Srinivasa Iyengar. He may be

Messrs P. U Nair and K. Ramanatan Rao underwent training for three years under Mr. Edwards the Dy Dy Director of the Institute at Mukteswar, in animal pathology and bacteriology and in all branches of knowledge pertaining to the investigation of diseases of animals.

6) On their return they were appointed Asst Experts supernumerary on Rs 150-10-200 on probation for one year for the investigation of cattle diseases in the state (G.O. dt 5.1.29 Hgs S). It was also stated in the G.O. that the question of including these two posts in the regular cadre of the C.V.D would be considered later if on experience such a course was found necessary. On this point the Second Member in his final note minuted as follows:-

"It is also proposed to keep them on probation for one year and include the posts in the regular cadre of the Dept. later, if it is found on experience that they are necessary"

They were employed on research work in the field and in the laboratories and the period of their employment-

Lt Major Simpson was due to retire in July 31. In that connection it was suggested to the Dr. at the instance of the F.C. Secy. that one of these supernumerary officers (Mr. R. Rao) might be absorbed in the regular cadre and that the other be provided in the Imperial Institute the establishment of which was then under contemplation. The Dr (Dr Coleman) accepted the latter suggestion but strongly opposed the former. He stated that the two officers were engaged on research work into certain cattle and sheep diseases, and that their appointments to these special posts should not give them seniority over many of their seniors (Inspectors) in the regular Veterinary service and that he was not prepared to accept the view that their special research training at Muktesar had fitted them especially for the administrative post of Asst. Supdt (vide his letter no 1820 C. dt 25.6.31)

The G-ovt passed orders in conformity with the Dr's recommendation (Flag A)

Mr. Nair was taken to the Serum Institute and the appointment of Mr. R. R continued till the end of 31-32.

63 When Major retired temporarily retired, Mr. K. Krishna Iyengar Asst Supdt was appd as Supdt and Mr. R. N. Patankar, the Sr Vety Insp was promoted as A.S in place of Mr. K. Iyengar (Vide Govt Notification of 15.8.31)

Flag H.

64 The Committee pointed out that Mr. D. V. Manikraj who had been appointed on 15.9.1928 as Asst Supdt temporarily against a vacancy in the lower grade had a preferential claim to be absorbed in the regular cadre Accordingly the above notification was modified, absorbing Mr. Manikaraj and appointing Patankar as A.S. temporarily against a vacancy in I grade Insprs (G.O. of 27.1.32

65 In his letter of 3.2.32 (Flag J) the Dr recommended the confirmation of Messrs Nair and R. Rao. Mr. Nair was ~~[illegible]~~ working as Asst. Bacteriologist in the Serum Institute which was then on a temporary basis He stated that both these officers had

known merit capacity and initiative in their work. In the meanwhile the Retrenchment Committee had proposed the reduction of the divisions (held by Asst Supts) from 4 to 2. In the circumstances any proposal to increase the strength of the cadre was not acceptable to Govt. Hence they ordered sanctioned the continuance of the two officers as Supernumerary Asst Supts in grade 150-10-200 for a further period of three years from 1.7.32 from which date they were allowed to draw Rs 100/- each annual increments as they fell due. 6. On A.O. of 27.4.33 (Flag M) the Serum Institute was made permanent and M.V. Nair, confirmed as Bacteriological Asst in grade 150-10-200.

7. As regards the relative merits of these two officers M.V. Edwards is reported to have stated that M.V. Nair with his high literary ability was well fitted for laboratory work and for office reports while M.V. R. Rao was a good practical outside Veterinarian and an astute scholar and indoor worker.

and confirmed in the vacancy caused by
the transfer of Mr. Venkatachar to the
Mily Dept. The Govt accepted the
first recommendation but not the second
(vide G.O. 81/19.6.33). They confirmed
Mr. Patankar against the vacancy of

Mr. K. R. Rao who was already an

14. From the above summary it will be seen that the Dept has always resisted the attempt of Govt to absorb the supernumerary post whenever vacancies in the regular cadre occurred. On the other hand both the Govt and the Financial ~~Dept~~ Secretary have been urging their absorption on grounds of economy and other grounds.

15 The appointment held by Mr. K. R. Rao is being continued on a temporary basis. His colleague Mr. Nair was lucky enough to get into the Senior Scale and get confirmed there. The question of confirming Mr K. R. Rao in his present post or of posting him to the regular line seems in the circumstances, to deserve serious consideration.

that the present arrangement under which two of the officers are styled "Supernumerary" is causing some confusion and may be modified, having regard to actual facts and distribution of work. Final Note by the Second Member of Council.

Subject.—

Proposal to raise the permanent strength of the cadre of Assistant Superintendents of the Civil Veterinary Department from four to five.

106

The Director of Agriculture has submitted the following proposals in regard to filling up the vacancy consequent on the retirement of Mr. C.K. Srinivasa Iyengar, Assistant Superintendent Civil Veterinary Department, from 8th October 1935:-

(1) Mr. N. Krishna Iyengar, Assistant Superintendent, (Supernumerary) to be confirmed vice Mr. Srinivasa Iyengar.

(2) Mr. N.R. Srinivasa Iyengar, Veterinary Inspector, to be promoted as Assistant Superintendent, (Supernumerary) vice Mr. Krishna Iyengar.

He has also recommended that the post of the Supernumerary Assistant Superintendent for the investigation of cattle diseases may be made permanent and that Mr. K. Ranganatha Rao, the present incumbent, be confirmed in the appointment.

107 Besides four Assistant Superintendents in the Civil Veterinary Department in charge of divisions, there are at present, two supernumeraries in the cadre. Of the latter, one post is held by an officer working in the Military Department against the post of a first grade Veterinary Inspector kept vacant. The Military Department always requires the services of a Veterinary officer of the status of an Assistant Superintendent and no object is served by continuing the appointment on a temporary basis. The present arrangement under which the officer holding this post is styled "Supernumerary" is causing some confusion. It is accordingly proposed to make the existing supernumerary post of Assistant Superintendent working in the Military Department permanent by raising the cadre of permanent Assistant Superintendents from four to five the sanctioned strength of first grade Veterinary Inspectors being reduced by one. The seriatim arrangements proposed by the Director in place of Mr. Srinivasa Iyengar retired, may also be approved.

The Dewan and the First Member of Council have agreed to the above proposals which are submitted to His Highness for gracious sanction.

GENERAL SEC. 7 NOV. 1935 BANGALORE

Sir,

In continuation of this office letter No.Roc.2191-Est.667/34-35 dated 3rd August 1935 proposing the appointment of Mr. N.R. Srinivasa-Iyengar as Assistant Superintendent in the vacancy of Mr. C.K. Srinivasa Iyengar, retired, I have the honour to forward herewith the representation of Mr. N. Krishna Iyengar, Supernumerary Assistant Superintendent praying for confirmation and to state that in the usual course he has to be preferr for confirmation in the vacancy being the senior most Veterinary Inspector, the next senior Mr. N.R. Srinivasa Iyengar being appointed supernumerary in the consequent place of Mr. N. Krishna Iyengar. In this connection I invite kind reference to Government Order No.D.1418-19/C.V.38-32-8, dated 16-9-1933 according to which Mr. N. Krishna Iyengar, the senior most Veterinary Inspector was promoted as Assistant Superintendent, supernumerary in place of Mr. R.M. Patankar confirmed in the then available permanent vacancy. It is now Mr. N.Krishna Iyengar's turn to be confirmed likewise in the permanent vacancy, the released supernumerary vacancy being given to Mr. N.R. Srinivasa Iyengar.

As to the comparison between the position of Mr. N. Krishna Iyengar and Mr. K. Ranganatha Rao, the former is the senior most Veterinary Inspector and has to be confirmed in preference to others, the case of Mr. K. Ranganatha Rao for confirmation being considered in his own appointment.

I have the honour to be,
Sir,
Your most obedient servant

The Superintendent,
Civil Veterinary Department,
BANGALORE.

Sir,

I have the honour to submit the following representation of mine in continuation of the one already submitted in this office letter No.1051 dated 2nd October 1935, for being absorbed as Assistant Superintendent in the vacancy caused by the retirement of Mr. C. K. Srinivasa Iyengar, in preference to Mr. K. Ranganatha Rao, Supernumerary Assistant Superintendent, Scientific Section.

Firstly, as per Government Order No.1418 C.V.38-32-8 dated 15-9-1933, I was promoted as Supernumerary Assistant Superintendent in the regular cadre of the Assistant Superintendents in the Civil Veterinary Department, in preference to Mr. K. Ranganatha Rao, being myself a senior man in the regular cadre of the Veterinary Inspectors.

Secondly, Mr. K. Ranganatha Rao is junior to me by 12 places and this is the main reason why he was not taken to the permanent line of the Assistant Superintendents in the Government Order quoted above. He was appointed temporarily

for

for a period of three years for carrying on investigation of six peculiar diseases and whereas I was appointed Supernumerary Assistant Superintendent in the regular line to be confirmed in the next permanent vacancy. The copy of the Government Order deciding my rank and seniority above Mr. K. Ranganatha Rao is herewith appended for kind perusal.

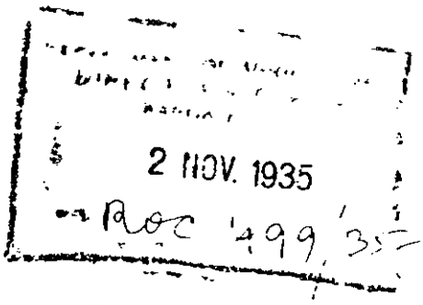
Thirdly, the procedure of absorbing Supernumerary Assistant Superintendents in the regular line was adopted in case of Mr. R. M. Patanker, Assistant Superintendent and he was confirmed in the vacancy caused by the retirement of Mr. K. N. Srinivasan, irrespective of the fact that Mr. K. Ranganatha Rao was even then officiating as Supernumerary Assistant Superintendent Scientific Section.

Lastly, I may be permitted to bring to your kind notice that I have acted as Supernumerary Assistant Superintendent for 3 years and 6 months and during this period being in charge of the Divisional Administration, I have discharged the duties devolving on myself in a most efficient manner and the Superintendent's letter No.Est.121-156 bears clear testimony to this. Being in the latter part of my service, I beg to add that I have nothing to aspire more than my confirmation as Assistant Superintendent, Civil Veterinary Department.

Under the above circumstances, I pray that my priority of claims as a seniormost officer, with an approved service of nearly 27 years and Administrative experience may not be overlooked, and I be confirmed in the present permanent vacancy.

For

For which act of kindness, I will remain grateful to you.



I have the honour to be,
Sir,
Your most obedient servant,

Assistant Superintendent, C.V.D.,
Shimoga.

Sri Comitted to the Director of Agriculture in Mysore, Bangalore. He is the next senior most man in the Gradation list to be confirmed as the Assistant Superintendent He is also quite efficient. Sh K Ranganatha Rao stands seven places below him as it stands now in the Gradation list.

Dr. Coleman is consistent in his recommendation that 'the appointment of Sh Ranganatha Rao to a special post on a higher pay should not give him seniority over men who have all along been working in the regular line etc' vide Roc 519 Est 147 32-33 dated 5th July '33 and this principle has been accepted on the previous occasion by the Government.

G.O. No.D.3722-3/C.V.102-30-11 dated 27th January 1932 directing among others, that Mr. R. M. Patankar, Veterinary Inspector, be appointed as Asst. Superintendent, C.V.D. (Supernumerary) against a vacancy in the 1st grade of Veterinary Inspectors.

2. G.O.No. D.5605-6/C.V.46-31-2 dated 7th May 1932 sanctioning among others, the continuance of Mr. K. Ranganatha Rao, as Supernumerary Assistant Superintendent, C.V.D. in grade Rs150-10-200 for a further period of three years from 1st July 1932 from which date he will be allowed to draw Rs160/- and earn future increments as they fall due.

3. G.O.No.D.6470-71/C.V.38-32-4 dated 19th June 1933 directing (1) that Mr. R. M. Patankar, Assistant Superintendent (Supernumerary) C.V.D., be confirmed as Assistant Superintendent in grade Rs150-10-200 against the vacancy of Mr. K. N. Srinivasan, Retired, and (2) that Mr. K. Ranganatha Rao, Assistant Superintendent (Supernumerary) be taken to the regular line and continued as Assistant Superintendent in place of Mr. R. M. Patankar made permanent and transferred to the Military Department, the supernumerary post held by him being lapsed.

4. Letter No.Roc.519/Est.147-32-33 dated 5th July 1933 from the Director of Agriculture in Mysore, recommending, in the circumstances explained, that in modification of the 3rd of the G.O.'s read above, Mr. N. Krishna Iyengar, Veterinary Inspector, may be promoted as Asst. Superintendent, C.V.D., in place of Mr. R. M. Patankar, made permanent, the consequential vacancy of Veterinary Inspector being continued to be kept unfilled as heretofore and that Mr. K. Ranganatha Rao may be confirmed in his present post for the investigation of cattle diseases in the State.

ORDER No.D.1418-C.V.38-32-8, Bangalore, datedthe 15th Sept. 1933.

The Director of Agriculture states that Mr. Ranganatha Rao has been on special duty in connection with the investigation of diseases of cattle and sheep in the State for the past three years and a half, that he is at present engaged in the investigation of more than 6 important diseases as detailed in the margin,

1. Johne's disease
2. Yederoga
3. Surra among cattle
4. Bovine Lyamphangitis
5. Nasal Granuloma
6. Fowl disease

that if the recent G.O. dated 19th June 1933 stands the research work willhave to be dropped involving the serious loss of valuable data already collected, that the appointment of Mr. Ranganatha Rao to a special post on a higher pay should not give him seniority over men who have all along been working in the regular line and that Mr. Ranganatha Rao stands 12 places below Mr. N. Krishna Iyengar in the regular cadre of Veterinary Inspectors and recommends (1) that the post of the Assistant Superintendent for research work may be continued and Mr. K. Ranganatha Rao confirmed in it and (2) that Mr. N. Krishna Iyengar, Veterinary Inspector, may be promoted as Assistant Superintendent in place of

of Mr. R. M. Patankar made permanent.

In modification of G.O. dated 19th June 1933, read above, Government are pleased to direct that the post of Assistant Superintendent, C.V.D., for the investigation of cattle diseases in the State be continued for a further period of 3 years from the date of expiry of the period sanctioned in G.O. dated 7th May 1932 read above and Mr. K. Ranganatha Rao being continued in this post as Supernumerary, and that Mr. N. Krishna Iyengar Veterinary Inspector be promoted as Assistant Superintendent (Supernumerary) in place of Mr. R. M. Patankar, confirmed, the consequential vacancy of Veterinary Inspector being kept vacant as before.

A half yearly report of work done by Mr. Ranganatha Rao with the Director's remarks thereon may be submitted regularly for the information of Government as contemplated in para 3 of the G.O.No.D.6955-6/C.V.46-28-2 dated 5th January 1929.

(3) that the post held by Mr.K.Ranganatha Rao, Assistant Superintendent (supernumerary), Research Section, be made permanent and he be confirmed in that appointment, and

(4) that Mr.R.M.Patankar, Assistant Superintendent, may be transferred from the Military Department to the Tumkur Division vice Mr.C.K. Srinivasa Iyengar, retired.

Order No. 5446-48 ~~February~~ March 1936.

Dated 6 ~~February~~ March 1936.

There are, at present, two supernumerary posts of Assistant Superintendent in the C.V.D

created temporarily for specific purposes. One of these posts was created in connection with the investigation of cattle diseases in the State and its period will expire at the end of June 1938 unless it is further extended by Government. The other post is held by an officer working in the Military Department against the post of a 1st grade Veterinary Inspector kept vacant. Since the Military Department always requires the services of a Veterinary Officer of the status of an Assistant Superintendent, no object is served by continuing the appointment on a temporary basis, as no extra cost is involved in permanently raising the status of this appointment and the present arrangement under which the officer holding this post is styled "Supernumerary" is causing some confusion, Government are pleased to direct that the existing supernumerary post of Assistant Superintendent working in the Military Department be made permanent by raising the cadre of permanent Assistant Superintendents from four to five, the sanctioned strength of 1st grade Veterinary Inspectors being reduced by one. The seriatim arrangements and transfers proposed in place of Mr.C.K.Srinivasa Iyengar, retired, are sanctioned.

The question of making the post of the supernumerary Assistant Superintendent, Research Section, held by Mr.K.Ranganatha Rao

permanent may be further examined by the Director and submitted for the consideration of Government.
